P.O. BOX 263, St. Albert
Registration No. 1930

The Friendly Giant and the Tiny Tiger pay close attention to a rock coming down. Hec Gervais and Bob Hudson had a number of tense moments on the ice during the final game which saw Bob win the Men's Open Sunday night at St. Albert rink.

Hudson defeats Gervais To win Mens Open

Two St. Albert rinks met in the finals of the grand challenge event of the men's open bonspiel Sunday night and the fans who jammed the rink were rewarded with a real thriller as they watched Bob Hudson's rink win a close match over Hec Gervais.

Hudson came through with

three fine shots himself to bring his rink to victory and the Bruin Inn trophy. His double take-out in the second end put him up 2-1. On the sixth end a fine draw to the button by Bob beat Hec's two stones in the four-foot. The draw had to come around four guard stones completely covering the Gervais rink counters,

and was the only possible shot to save the end. Bob couldn't hear it, but his rifle shot brought a roar of applause from the behind-the-glass curlers.

On the ninth end Bob stole two when Hec missed a double take-out attempt with his last rock, putting the Hudson rink three up coming home. Hudson's curlers kept the house clean in the 10th, mathematically eliminating the Gervais foursome when it came to skips rocks.

thing to watch," says Capt. K. A. Nette who will be in charge of the demonstration. They will make three jumps during each performance. In one sequence, eight men will jump in formation and land in the target area in the racing oval.

There also will be a daily 15-minute display by the Canadian Forces' Voyageur helicopter, which is identical to those used in Viet Nam by the U.S. Marines. These twin-rotor aircraft from 450 (Heavy Transport) Helicopter Squadron Detachment have a capacity 25 adults or 2 1/2 tons of cargo. They can reach a maximum air speed of 170 miles per hour.

Parachute team will perform at Wetaskiwin

A daring demonstration of free-fall parachuting will be an added attraction at the Shrine International North-Am Snowmobile Races at Wetaskiwin Feb. 5 thru 7.

A team of 12 precision parachuters from the Canadian Forces Airborne Centre at Namau will perform their breathtaking feats daily over the race track area.

Jumping at 12,000 feet from Otter and Buffalo aircraft, and using smoke canisters to outline their descent, the daredevils will free-fall for 50 to 60 seconds before opening their parachutes, and making a pin point landing.

Zoning matters - Bus scheduling occupy Council

An enquiry by Councillor Russell under business from the minutes, at Monday night's council meeting, revealed that the offer by Mac's Milk Limited to purchase land on Churchill Avenue for a confectionary and milk bar has been accepted, with terms of sale to come pending a report not yet in from the town solicitors. The offer is \$26,500 plus additional costs for local improvements, with a 10 per cent deposit holding the property until March 1, when full payment is due.

Mr. G. Ross, district registrar from Edmonton was present and spoke to council on the advisability of St. Albert having its own district registrar, which the Department of Vital Statistics would like to see established, since there is now a hospital here. The Registrar would record birth and death registrations, and sell marriage licenses. Mr. Ross pointed out that the registrar has only two book-keeping entries - signing the registrations and entering them in a record book. Weekly return forms are mailed to the central office in Edmonton. Mr. Ross also noted that ordinarily a town employee is appointed registrar.

Councillor Kambourff felt that the St. Albert registrar would only be adding an extra step between the hospital and central office. Mr. Russell questioned the advisability of having a town employee serve as registrar and would like to see a local businessman appointed. Mr. Ross said experience has shown the public expects the service out of the town office and logically go there.

He also noted that a local registrar assists the health unit in obtaining information more quickly. Councillor Kambourff said the only useful service to result would be saving local people a three mile trip to purchase a marriage license. Vote went 5 - 1 in favor of appointing a district registrar here.

M.D. drafts submission on annexation

The MD of Sturgeon County are presently preparing a submission to the Lieutenant-Governor in Council on the recent annexation of MD land by the City of Edmonton, as approved by the Local Authorities Board. Reeve Lawrence Kluthes says Council estimates that loss of revenue would force a 7 1/2 increase in the mill rate, although council hopes for some relief via provincial government grants to offset the loss.

At their last meeting councillors interviewed a delegation of 15 - 20 people from the area west of St. Albert along the river, who put forth a number of complaints of continuing vand-

rezone lots 21-26 on Marian Crescent to allow two apartment buildings on the site. The developer, Carmar Holdings Ltd. have agreed to put in the connecting sewer line required.

First reading was given a bylaw to rezone two parcels along Sturgeon Road, one to public use and one to residential, multiple family R3A. Public hearing is scheduled.

alism to livestock and property. Council has requested an early meeting with the RCMP to discuss measures to control the situation.

Councillor Bill Flynn had advised St. Albert town council in strong terms of MD's concern over the smoke problem affecting the hospital. A reply from Mayor Gibson suggested that the burning off of oil at well sites in the MD might be part of the cause. The MD has referred this matter to the Sturgeon Health Unit for investigation. However MD councillors are of the opinion that fires set illegally at the town dump are responsible.

First Aid Course completed Sunday

Starting Friday, Jan. 15, 1971, at 7 p.m., approximately 15 interested adults and students registered for a weekend of First Aid instruction. Due to last minute changes, the course was held at the Retreat House.

Instructors involved with the course were: Mr. James Thomson of Edmonton; from St. Albert: Linda Whittle, Larry Boslak, Pauline Vaugeois and Donna Lynch. As many of the adults are involved with youth groups, a session on accidents at camp and outdoor activi-

ties was given by Mrs. Dianne Sandomirsky.

Courses of this nature are of tremendous asset to anyone involved in youth work, whether as leaders, participants or school secretaries. Representation from several schools was evident when several secretaries took the course. Many of the participants attending this weekend course were members of the Sea Rangers and the Land Rangers of St. Albert.

The examination of this class will be held this coming Saturday, Jan. 23.

Bobi Jean Varner and Janice Jobe took part in the First Aid Course for adults, in which a number of Sea Rangers and Land Rangers were involved.

Jr. High Basketball

Tests in the above listed subjects will be written in the Gymnasium at the time indicated. Students are to be in the gym and prepared to begin at the designated time. All students are required to spend a minimum of one hour in the exam room.

Any students with a conflict between departmental and non-departmental tests must report same to the office by Jan. 20, 1971.

LADY OF GOOD COUNCIL

The Lady of Good Council are holding a Sock Hop this Friday in the gym to help raise money for their charitable projects. Admission is 25¢. Father has recorded various leading bands which will provide the music for the dance. The girls are hoping everyone will turn out for this worthwhile project Friday for 11:30 - 12:30.

CURLING

The results of last week's games were as follows: -- Norman Ray defeated Todd Cassidy; Richard Hauptman defeated Mike Lyndon; Brian Kupsch defeated Bill Wittschen; Julian Romanko defeated Marie Van Tighem; Ray Gauthier defeated Robert Letourneau; Darrell Kremer defeated Peter Byl.

Majeau - Quintal Wedding

By Liz McLeod

A pretty wedding was solemnized in St. Catherine's RC Church Calahoo on Dec. 26, 1970 at 2 p.m. when Miss Elaine Quintal, Pearl and PoeWee's daughter, became the bride of Mr. Garry Majeau, son of Paul and Maren Majeau on a cold but sunny winter's day.

Father Volk performed the wedding mass and the wedding music was played by Mrs. Nolte of Calahoo. The bride, given in marriage by her father, was radiant in a full length gown of white satin with empire waistline and featuring a cathedral train. Her gown was complimented by a flowered satin headpiece and she carried a bouquet of pink roses.

Miss Donna Majeau was bridesmaid and she wore a full length dress of blue satin and chiffon, styled with empire waistline. She carried a blue rose bouquet with a matching blue ribbon in her hair.

The bride's brother, Ticker Quintal was best man.

The reception was held in the Purple Dude, St. Albert and receiving was the bride's sister Cheryl. The bride's mother wore

a yellow lace over satin dress, fashioned in princess line and complimented by a yellow orchid.

The groom's mother wore a light mauve belted dress with a yellow orchid corsage.

Elaine's aunt Opal Quintal made the four tier wedding

cake which was decorated by Mrs. Cecile Berry.

The wedding day had additional significance because it was Henry and Alice Majeau's 50th wedding anniversary, uncle and aunt of the groom.

Calahoo W.I. has busy program

By Liz McLeod

The 118 meeting of Calahoo WI was held at Mr. Gordon Schmarlund's home with all members present, their husbands and family also.

Due to weather the November meeting had been cancelled.

This happy meeting opened with the singing of two carols accompanied by Mr. Vic Albrecht on the violin and Miss Marlene Schmarlund playing accordion. Barry Schmarlund played guitar, Michael Schmarlund played accordion and Murray Carty and Timothy Shenfield played recorders.

The meeting continued with the minutes as well as the annual report.

This crowd has a definite

desire to help the leper, Mr. Menor and his children since a disastrous typhoon hit the area where he lives in the Palawan Island in the Philippines. Their home was demolished and presently for shelter he has salvaged a few pieces of awning and set them upright as a shelter from the elements, and is in urgent need for these four small children and him. It is hoped we can gather aid and send him a cheque to alleviate his sufferings. Any interested person or group could send their contribution to a Calahoo WI member.

Since this was also our annual meeting the executive reads thus: Mrs. K. Mary Dahlm, president; Mrs. P. Betty Albrecht, vice presi-

dent; Mrs. P. Liz McLeod, secretary; Mrs. W. Toni Christen, Mrs. J. Anna Carty, Mrs. C. Lena Bergstrelser, Mrs. J. Stephanie Shenfield, directors. Conveners - Handicraft, Mrs. V. Albrecht; health and home economics - Mrs. C. Bergstrelser; United Nations - Mrs. R. Schmarlund; agriculture - Mrs. V. Berry; social services - Mrs. J. Shenfield; education - Mrs. J. Carty; citizenship - Mrs. M. Kerr; cards and flowers - Mrs. V. Berry and Mrs. F. Lischewski; welcome wagon - Mrs. P. McLeod; tour - Mrs. J. Shenfield.

The roll call was sung a song or recite a poem so we all sang more carols and then Marlene Schmarlund won the door prize. The executive met on Jan. 15 to plan the year book and the next regular meeting will be held Jan. 26 in the afternoon at Stephanie Shenfield's home. Visitors are always welcome.

Learn to play an instrument

Our community is about to begin one of the most interesting and unique music programs in the province: Music for adult beginners. Adults in St. Albert are being offered the opportunity to learn to play an instrument and to form up into a band. No experience at all, is needed, you need only to decide which instrument you would like to play.

The Lions Breakfast Club is at present sponsoring the music program for youngsters and people who can already play. To date Mr. Jerry Wennes has been providing direction for a senior section, however this group has no sponsorship. Since there are so few players, financing and direction

becomes difficult. These senior players have volunteered to become the core of available instructors who will teach adults to play in a band.

Any adult can join. Group lessons on a particular instrument will be given, followed by a session with all instruments under tutelage of a group teacher.

The cost will be very low, such as \$5 tuition plus a small group lesson fee. If you own an instrument - great, if not you can rent one from the Lions.

To register for this opportunity phone Syd Moore at 599-5439 now, or come to the Music Room at Leo Nickerson School at 7 p.m. Tuesday next.

Dr. Tarangle gives the Stop Smoking group a talk on weight control on the final night of the Five-Day Plan. "Fill your plates as usual, and then scrape half the food off before starting to eat," he said. The 96 who enrolled stuck with the plan through the five sessions, and hopefully are well on the way to being rid of the habit forever. The group will get together once more tomorrow night for extra encouragement, progress reports and the formation of an alumni, after which refreshments will be served.

Badminton competition keen

Tuesday, Jan. 12 was a busy night at Vital Grandin school as two badminton competitions were played side by side. One of the two competitions was a C Inter-club match between the two St. Albert teams C1 and C2. While the C1 team, composed of Tony and June Raven, Beryl Harding and Frank Carnahan, took a 10 - 0 win over the C2 team, of Bob and Joan Green, Norm Carruthers and Germaine Mitchell, had their toughest battle yet as all games went to extra points. This was the first loss for the C2 team and the fourth victory for the C1 team who remain undefeated.

The B team are also competing along well in the Inter-club competition. Their next one being Thursday, Jan. 21. They have lost only one game and that to the Royal Glenora Club.

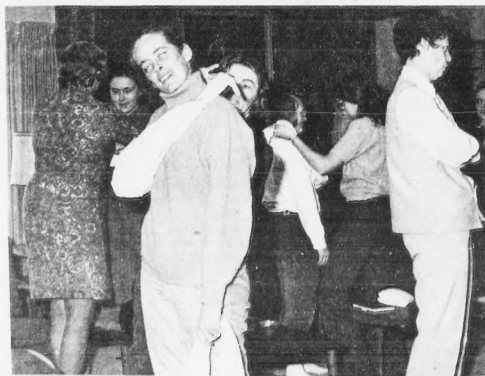

Norm Carruthers and Bob Green were not yet finished

however. In fact this was the beginning of their evening. Playing in the second novelty doubles of the season, they tied for first place for the men's prize, while Helen Newmann won the ladies prize.

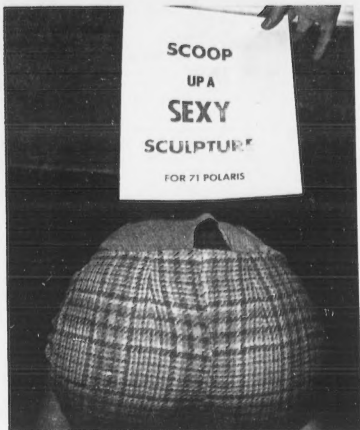

In the Edmonton District Junior tournament Bernice Parsons was a finalist in the under 19 doubles but lost to a Glenora pair.

The Bonnie Dean Invitational tournament is being held this weekend Jan. 23, 24 and the Edmonton District tournament on Feb. 6, and 7. Since a good majority of players will be playing in these tournaments there will be NO Saturday badminton on Jan. 23 and Feb. 6 at Vital Grandin school. There will however be badminton on Saturday, Jan. 31. Instead of wasting your Saturday why don't you support your fellow members and watch them play this Saturday at Jasper Place High School.

The next time a photographer asks Dianne Sandomirsky to look like she's in pain, she just might refuse. Dianne is acting as the patient with a broken arm and shoulder blade, while Barbara Blacklaw (a secretary in a local school) practices her bandaging technique. The pair at left are Doris Jobe and Linda Whittle, Christine Telfer and Joan Humbert are at work at centre and Donna Lynch is seen at right. In the back corner is Dorothy Lavigne. Photo was taken at the St. John Ambulance First Aid Course for adults, during the Sunday afternoon session.

The kids at Paul Kane who are working on the upcoming yearbook, "Polaris," had Vic Post snap this attention-getter photo to remind everybody to come up with items required.

Goings on at Paul Kane

By Holly Hill

Grade 10 and 11 are just starting their exams, while Grade 12 students have a few more days grace. Grade 12 starts their week long departmental exams on Monday when the rest of the students take a break.

On Jan. 29 students will pick up their books and report cards, and start their new semester Feb. 1.

BASKETBALL

On Wednesday, Jan. 13 Paul Kane hosted Westlock. The girls lost by six points after a very grueling game. Our boys also lost by six points.

Then on Friday both of Paul Kane's teams won their first game, against St. Albert High - the girls by two points 36 - 34 and the boys by seven points 43 - 36.

On Saturday the girl's team and the cheerleading squad went to Salsbury's annual tournament. The girls won their first game, against Leduc, 31 to 14 and then were defeated by Lac La Biche 26 to 21. But Paul Kane's cheerleaders came home undefeated. They won out over Leduc, Salsbury, Concordia and Lamont squads with 29 out of a possible 30 points and brought back another trophy to add to their collection.

CURLING

Paul Kane's team was defeated for the first time in the City School Boys League, by Austin O'Brien. This is due to the fact that two of the regular team members were away and Ken Love was curling with sprained hands.

Standings after last weeks curling match are Lane Bryant taking the lead with four points, Terry Mitchell, Wal-

ter Kwai, Ken Love and Norman Hill tied for second with two points and Doug Barker in third place with 0.

STUDENT PARLIAMENT

Student Parliament held their second session of 1971 on Tuesday. They held their meetings every second Tuesday. If any student has ideas or questions they would like added to an agenda please get them to Janice Hoosier before the meeting.

POLARIS

Polaris has put out the call for all of Paul Kane's creative geniuses. So all you poets and artists get in their and help our year-book staff.

Attention! All students who frequent the area of Room 5, remember, giant frogs patrol this area.

Secreds Set Nomination Date

The Social Credit executive for the St. Albert Constituency met recently in Morinville.

Discussion centred around plans for 1971 and preparing for the coming election. The nomination date was set for Wednesday March 31, 1971, in the Morinville Recreation Centre. The Hon. Gordon Taylor, Minister of Highways and Youth will be the guest speaker. Mr. J. K. Flaherty president of the executive, stated he expects two candidates to contest the seat presently held by Mr. Keith Everitt.

It has all the possibilities of being a very exciting and unpredictable race.

The new executive for 1971 are Mr. Jack K. Flaherty, president; Mr. Wm. Kibblewhit, first vice-president; Mr. Ed Savol, second vice president; Mr. Larry Martindale, third vice president; Mrs. Pat Krauskopf, secretary treasurer; and Mr. R. Purvis, membership, finance.

PUBLIC SKATING
IN ARENA

A schedule showing the time of public skating sessions in the arena appears elsewhere in this issue.

A full schedule of what is going on in the arena would fill a whole page! But residents may be interested to know that it is in full operation from 5:30 a.m. on four days per week till 11 or 11:30 p.m.

On weekdays, the schools are making use of the ice under the Joint Use Agreement and after that public skating, figure skating and hockey takes over.

GOLF

A golf school will be held in March. This has been very popular during the last few years and judging from the number of enquiries the course this year will be well attended.

YOGA

For information about the weekly yoga class, please phone Mrs. Betty Daley at 599-3937. The 10-week course of lessons is held on Thursday evenings at 8:15 p.m. in Sir Alexander Mackenzie School.

Y NEIGHBORS

Anyone interested in the Y Neighbors program, sponsored by the YWCA should phone Mrs. Joan Hogg at 599-8267. This is a weekly program, mainly for non-members with pre-schoolers, which is held in the Community Hall on Monday mornings from 9:30 - 11:30.

The pre-schoolers are looked after while their mothers and their friends enjoy an hour's keep fit, coffee, followed by an hour of crafts, demonstrations or talks.

Letters To The Editor

Editor defended

The Editor:

In defense of the editor and in response to Mr. Kennard's letter, Jan. 13 issue, may I point out that in today's society discrimination is all too often self-inflicted, with extremist tendencies.

I have Japanese friends, who consider being referred to as Jap, as no more offensive, than calling an American a Yank, a Catholic a Mick, or a policeman a cop, they get far worse.

However thanks to Mr. Kennard's sarcastic letter, our young readers now know that negroes are referred to as niggers, Italians as wops, and Jews as kikes, (the latter is new to me, and incidentally they prefer to be

referred to as Jewish rather than Jews.)

You know caucasians also get fed up of being called white trash, pale face, etc. but most of all being unjustly accused of discriminating, by other ethnic groups. A sample of this is recently a friend while shopping, in the city was reluctantly served by both an incompetent and surly clerk. There was ample reason for complaint, there would have been one made, had the clerk been white. Perhaps if we were all just pleasant individuals, there would be less room for discrimination. Think about it!

Mrs. M. J. Ruth.

Social Services

The Editor:

Recently I have heard a rumor that one of the councilors plans to present a

motion regarding the abandonment of the complete preventive social services program for the Town of St. Albert.

If this is the case and if this motion is passed it would be, by and large, the biggest step backwards that the town has taken for some time (and there have been some giant steps!).

Specifically I will concern myself in this letter with the St. Albert Help Society and its emergency mother replacement service. Our family has had the privilege of using this service in a time of great need and a time at which we had no alternate solution. The service provided by these women was completely satisfactory in every way and on looking back I consider it invaluable.

I am also more comfortable now in the knowledge that, should an emergency arise, it would not mean my husband missing valuable time at his job or my children being shuffled from

home to home in the midst of a great deal of confusion.

And so I hope I have made myself quite clear in expressing my complete disapproval of any such motion in a community which already has a backward-thinking approach to so many aspects of human problems.

Mrs. Linda A. Kuzs.

Blackhawks O.K.

The Editor:

In reply to the letter to the editor entitled facts about bantam hockey: The writer took great pains to criticize one of the hardest working coaches we have in organized minor hockey in St. Albert.

Mr. Millroy coaches the Blackhawk bantam team and also the Fire Department pee-wee team. He accomplishes this with the help of excellent assistant coaches. Doug Millroy has on his own arranged extra practice time and exhibition games for his bantam hockey team.

The bantam hockey league is set up the same as the pee-wee, mite and shaver leagues. Boys play for teams from their area, i.e., Grandin or Grandin teams, boys from Mission on the Mission teams etc.

The bantam league expanded from four to six teams, one new team from Sturgeon, Braeside area and one from the Grandin area.

Last year bantams were placed evenly among these new teams in an attempt to equalize team strength.

Lastly the Blackhawk team was beaten by a new team called the Seals who have had extra practice time arranged for them by their coach.

I would strongly urge that, rather than criticize, offer your help and encouragement to the coach of your son's team. There is no justification in condemning a team simple because they work hard to achieve results.

Fred Calkins,
Chairman, Kinsmen Minor Hockey Association.

A New Years wish

Health enough to make life a pleasure. Wealth enough to supply your needs. Grit enough to confess your sins and forsake them. Patience enough to toil until good is accomplished. Cheerfulness that will make others glad. Charity enough to see good in others. Love enough to make you useful and helpful. Faith that will make real the things of God. Hope that will remove all anxious fear. Dignity that befits the children of God. Humility that is needed by every follower of Christ. Prayerfulness that develops and enriches. Push and progress as manifested in the life and labour of Jesus. May God bless you always.

Legion officers installed in colorful ceremony

The new officers of the St. Albert Branch of the Royal Canadian Legion were installed in office in the usual impressive and colorful joint installation ceremony held at the St. Albert Community Hall on Saturday, January 16. Over 140 legionnaires and wives, visiting dignitaries, and guests witnessed the installation ceremonial conducted by Comrade Alex Bayrack of Edmonton, dis-

trict commander of the Royal Canadian Legion, who installed the branch officers and by Mrs. Kay MacKenzie of Vegreville, first vice-president of provincial command, Ladies Auxiliary who installed the new officers of the Ladies Auxiliary.

Seated also at the head table were Percy Rossiter, zone commander, and Mayor Ray Gibbon. Special guests and visitors included Ed Coley, of the dominion com-

mand executive, Alex and Mrs. Bayrack, Bill and Mrs. Beasley representing Montgomerie Branch of Edmonton, Don McCalder of Strathcona Branch, Bill and Mrs. Rawluk, George and Mrs. Lupul, Steve and Mrs. Kashton all of Norwood Legion; Mr. and Mrs. Anderson of Jasper Place Branch; Percy and Mrs. Rossiter of Kingsway; Bob and Kay MacKenzie of Vegreville, Ray and Mrs. Gibbon of St. Albert. Other guests visiting were Mr. and Mrs. Mzyzowski of Bolivia and Brazil, staying with the Kashtons of St. Albert. The oldest veteran was Comrade Rockley Holman - one of the first Canadians to fly with the Royal Air Force in the First World War.

Installed in office of Branch 271, St. Albert were: Doug Taylor - president; Wally Swenarchuk, past president; W. D. Taylor and Ken Fehr, first and second vice president; Stan Rees, secretary-treasurer; Rudy Schirbar, branch welfare officer; Ollie Kendall, Sergeant-at-Arms; Reg Brammer, Murray Glennie, Fred Austin, Bill McEachern, John Fergusson, E. A. Davis, Jim Dobbie, Roy Hart, Paul Lefebvre and Brian O'Kell all of the executive committee.

Installed in office by Kay MacKenzie for Provincial Command were: June Kendall, president (returning for a second term); Audrey Wright, first vice president; Lynn Johnson, second vice president; Peggy Hanneman, secretary, Pauline Swenarchuk, treasurer; and Thyra Schirbar, to the executive committee. Unable to attend and to be installed in office at a later date were Pat DeChamplain, Ivy Kendall, Thora Millroy, Nora Sparks, and Bea Watkins, all to the executive committee. Vina McCormack who was elected Sergeant-at-Arms was also unable to be present.

In his parting speech, past president Wally Swenarchuk reviewed the progress of the Legion during the last three years during which great strides were made to increase membership. Since the hall has been opened

each Saturday for socials and get-togethers the Legion has become an increasingly popular social centre, and he called for increased efforts to match the number of the branch in membership - 271 during 1971, and to rededicate the hall as the St. Albert and District Memorial Hall, in memory of those servicemen of this district who did not return, or who have since passed on.

Mayor Ray Gibbon, in his short address, a Legionnaire himself, praised the work of the Legion, and spoke of its value to the community as the senior of the service clubs in the social strata of the area it serves. He envisaged greater things from the legion in times to come and reminded those present that not only are legionnaires members of their branch, but they are active in other community affairs in the town, in town council, education, as well as other service organizations.

Comrade Bayrack in his pre-installation address briefly touched on the new areas in which the Legion has become involved, both locally and nationally, in the areas of better assistance to pensioners and in the field of public housing. He announced the commence-

ment of the first Veterans Housing project in Edmonton as the first effort to provide low-cost housing to veterans and widows. The power of the Legion is derived from its membership and he called for a constantly sustained drive to recruit veterans and ex-servicemen.

Piper Bill Hannah, of the

City of Edmonton Police Pipe Band, and residing in the Town of St. Albert, piped the candidates-elect to be sworn in to office, and at the end of it all piped the late stayers home. Dancing followed the ceremonies, and, as usual, comradeship and good-will prevailed to a successful and enjoyable conclusion.

Auxiliary meets at hospital

At the January meeting of the Sturgeon Hospital Auxiliary a report was given of activities during the Yuletide season in the hospital.

The beautiful tree of lights decorating the top of the hospital, and a clear beacon for all travellers in the area, during the holidays was a gift from the auxiliary. Cards and special treats were distributed to all patients in the hospital at Christmas time.

At the present time the book cart is being made up at the shelter workshop and should be ready for the February meeting.

A wine and cheese sponsored by the auxiliary is being planned for Feb. 19 in the RC Parish Hall in St. Albert. Cost \$4 per couple. A white elephant sale is also planned in the near future.

The Morinville members will host the spring blossom ball in the Morinville Recreation Centre on June 5, according to Mrs. Campbell.

The February meeting will be held in the hospital cafeteria on the 8th. An interesting agenda is being planned, hoping all members will come.

ceramics, copper enamelling and painting. For this purpose the guild is moving a potters wheel and a kiln into the auditorium, and visitors to the festival will be able to see exactly how these crafts are performed.

Mr. Walter Kaasa, director of the Cultural Development Branch of the Provincial Government, will open the festival. He is well known to many St. Albert residents, and has always shown a keen interest in the work of the guild. Registrations in the next series of programs will be taken following the official opening.

Festival displays will give a comprehensive look at all aspects of the guild's work, including upholstery, batik tie-dyeing and leather craft (one of the newer courses

BUS SCHEDULING

recommends council approval of a four-foot channelization island both north and south of the intersection at Ball Avenue and Grandin Road. A provision for \$1,000 will be included in the 1971 estimates. Councillors Hudson and Kambouroff were opposed.

A recommendation from committee that council appoint a transportation committee, whose duties would include liaison with Western Bus Lines was considered. Councillor Russell was concerned over the delay in providing service to the new Braeside area via Western Bus, which he felt might be up to six weeks. The mayor pointed out that the bus company must go through the department of highways for schedule changes. Councillor Russell wanted council to ask the bus line to proceed with this part of the service right away, as the area was under some hardship for transportation service. The service would proceed through Braeside, down Bishop and out Sturgeon Road. Motion to appoint a transportation committee was dealt with and passed unanimously. Then Councillor Russell moved that the bus company be requested to apply for permission from the highways board to proceed with the Braeside service, without waiting for other changes that might come up in the future.

Councillor Hudson appreciated the position of the bus company in not wanting to keep appearing before the board, and having to issue new schedules. He noted that schedule changes were a nuisance to residents as well. Councillor de Bruijn felt that recommendations from the new transportation committee would take some weeks to deal comprehensively with bus scheduling, then these recommendations would have to be considered by both council and the bus company. Meanwhile he felt the bus company should proceed with a new schedule for the Braeside service needed now. Cr.

The executive of the St. Albert Hwinders installed recently are Bob Varner (left), treasurer; Stu Rindero, vice-president; Ian Skogstad, president and Gerry Tookev, secretary. 1971 chairmen are Gary Hodgins, membership; and Alex Forsythe, ways and means.

Toastmistresses elect officers

The regular election of the new 1971 executive for the Sturgeon Toastmistress Club was held on Jan. 13 with Charter president Mrs. Florence Jordan opening the meeting. The installation banquet will take place on Wednesday, Jan. 27 at the Club Mocombo.

New executive members are: President, Mrs. Marlan Ladell; first vice president, Mrs. Laurie Saunders; second vice president

Mrs. Elden Kathol; third vice president, Mrs. Irma Wilson; Mrs. Marie Nellig secretary; Mrs. Margaret Doepel, treasurer. The invited guest speaker for the evening is Mrs. Audrey Goodwin from Edmonton and installation officer will be Mrs. Muriel Cowan, also from Edmonton. The theme will be "Liberalism - Neo Phytas - Never."

The devil was always challenging St. Peter to a game of baseball, but St. Peter never took him up. Finally the Dodgers, the Giants and the Yanks all went to heaven, so naturally St. Peter called up the devil. "Now I'll play you that game of baseball," he said. "You'll lose," said the devil. "You'll lose," replied St. Peter. "Right now I've got the greatest collection of baseball players you ever saw."

"You'll lose," said the devil. "You'll lose," "What makes you so sure we'll lose?" "Because," laughed the devil, "we got all the umpires down here."

MR. & MRS. HENRY MAJEAU

Majeaus honoured on golden wedding

Family and friends of Mr. and Mrs. Henry Majeau gave the couple a grand surprise party on Jan. 9 to mark the occasion of their golden wedding anniversary.

In all about 60 people gathered at the home of Pee Wee Quintal in Calahoo for the occasion. Pee Wee is a nephew of the couple. Their son Edmond and granddaughters Donna and Diane were present, as well as their best man and bridesmaid of 50 years ago, Maurice Verstraete and his wife, who is a sister of Mr. Majeau. Other close relatives included Wilfred Majeau, Mrs. Simon Oulmet, sister of Mrs. Majeau and Emilie Verstraete.

Henry and Alice were married on Dec. 28, 1920 in St. Peter's parish church at Villeneuve. Alice is the daughter of Mr. and Mrs. Camille Verstraete, who

came to the Villeneuve district from Belgium. Henry is the son of Mr. and Mrs. Eli Majeau who settled in St. Albert. The couple made their home in Villeneuve until moving to the farm just south of the village, 10 years ago.

Mr. Edmond Savole made a presentation to the Majeaus on behalf of all present, and the evening was spent in singing, dancing and visiting. An anniversary cake topped a delicious lunch.

C.D.A. effects rapeseed change over

The Canada Department of Agriculture will be effecting a complete change over from the present erucic acid containing varieties to the new CANBRA oil producing varieties.

The following facts are for the farmer/producer's information and subsequent action as outlined by Mr. Sherman Yelland of the Alberta Department of Agriculture.

1. Canada Department of Agriculture expects to have sufficient Breeder and Foundation seed of the Polish (SPAN) and Argentine (ZEPHYR) Canbra oil-producing types for seeding in the spring of 1971 to produce sufficient foundation and certified seed for seeding a minimum of four million acres in the spring of 1972.

2. Canadian Seed Growers Association members will be called on to multiply and distribute seed of the new types.

3. The Prairie Provincial Stock Seed Distribution Committees will receive and review applications for breeder and foundation seed.

4. Allotments will be at the rate of five pounds per acre (foundation seed will be packed in 50-pound bags) and the amount will depend on the number of applications with approved land in the following priority categories:

(a) Priorities for allotment

TYPE BREEDER SEED FOUNDATION SEED

Span 200 lbs. (40 acres) 60,000 lbs. (12,000 acres)

Zephyr 15 lbs. (3 acres) 4,500 lbs. (900-900 acres)

(c) Applications for Breeder seed of Span and Zephyr will be received from Alberta growers of Foundation rapeseed UP TO JAN. 7, 1971. (This extension applies to rapeseed only.)

(d) Applications for Foundation seed of Span and Zephyr will be received from Alberta growers of Pedigree seed UP TO FEB. 1, 1971.

(e) Application forms are to be mailed to: Sherman Yelland, P. Ag., Secretary, Alberta Stock Seed Distribution Committee, 601 Agriculture Building, 9718 - 107 Street, Edmonton, Alberta.

It is hoped that the members of the Alberta Branch CSGA will demonstrate their

ment of BREEDER seed:

FIRST - Growers of foundation rapeseed

SECOND - Growers of Select seed of other kinds

THIRD - Growers of pedigree rapeseed

FOURTH - Growers of pedigree seed of other kinds.

*N.B. - In allotting seed of Zephyr (Argentine type), priority will be given to those Pedigree growers forming in the Brown Soil Zones north of Highway 1 in Alberta.

5. Land and Isolation requirements are very important. Minimum land requirements are as follows for planting:

(a) Breeder Seed - has not grown rape or mustard for at least eight years.

(b) Foundation Seed - has not grown rape or mustard for at least four years.

Isolation requirements are as stated in Section 132, Page 15, Canadian Seed Growers Association Circular 6-69.

6. Canada Department of Agriculture has tentatively set the price of Foundation seed at \$1.50 per pound.

7. NO seed may be transferred to other growers.

8. Distribution Plans:

(a) This letter is being mailed to all who grow Pedigree seed in Alberta in 1970.

(b) Alberta has been allocated the following quantities of seed:

capability to carry out this challenging project. We are confident that the place of CSGA in intensive seed multiplication and distribution programs will be established.

If you qualify and do not have the special application for Foundation Span and Zephyr rapeseed, then contact the district agriculturist at Morinville, 256-3351.

Meal Time Magician

By Pat Prymak,

District Home Economist

Have you ever considered casseroles as magicians? A casserole can look really tricky, making one think it took hours to prepare, when really it only took 15 to 20 minutes to make.

Casseroles allow today's busy homemaker to spend more time with her family and friends. They can be made beforehand and just require heating prior to serving. As a rule of thumb, freeze casseroles only if the ingredients would normally be frozen. And since a casserole is a bake-and-serve dish, there are fewer dishes to wash.

Convenience foods, such as condensed soups, frozen vegetables and biscuit mixes, can be used to shorten preparation time.

Many casserole recipes may be adapted in order to use left-overs. With a bit of imagination, Sunday's roast may be transformed into an interesting and tasty dish for Monday's lunch or dinner.

CASSEROLE COMBINATIONS

The combination of ingredients in casseroles is unlimited, thus giving the homemaker an adventure in ingenuity. When preparing casseroles, let the color, flavor, consistency and texture of the ingredients be your guide. For instance, the delicate flavor of seafood is enhanced by a smooth subtly flavored cream sauce. Crunchy potato chips add an interesting texture.

Hearty beef may be teamed with onions, tomatoes, and topped with a layer of easy to prepare instant potatoes. For color, sprinkle a bit of grated cheddar cheese over the potatoes. The smooth texture of poultry combined with crunchy green pepper, mushrooms or a variety of frozen vegetables to produce an interesting dish.

Casserole recipes may be varied to accommodate the supplies you have on hand. For example, if the recipe calls for pastry topping, a muffin or biscuit mix may be easily substituted. Alternately, omit the topping and serve over rice, noodles or some other pasta. Above all, use your imagination.

Recipes for your Approval - Why not try out the following recipes or write for our publication on "Casseroles."

PORK CHOPS WITH RICE

*Rice is cooked along with the pork chops in this easy to prepare supper dish.

1 tsp. butter or margarine
1/2 c. uncooked long or short grain rice
2 medium onions, sliced
4 pork chops, loin or shoulder
1 - 10 oz. tin condensed tomato soup
1/2 cup water
Grease bottom of 1 1/2 quart casserole with butter

or margarine.
Cover bottom of casserole with rice and top with a layer of onions.

Arrange pork chops and then a second layer of onions (pork chops may be browned first in fry pan, if brownness is desired).

Pour tomato soup over meat and bake at 350 F. for 1 1/2 to 1 1/2 hours or until pork chops are done. Serves 4.

CHICKEN CHOW PAKE

*Want to use left-over chicken (or turkey)? This ideal recipe lends an oriental touch with chow mein noodles to this buffet or dinner casserole.

2 c. chicken, cooked and cubed

1 c. chopped celery

2 tsp. chopped green onions

1 - 10 oz. tin pineapple tidbits

1 tsp. soya sauce

1 - 10 oz. tin condensed cream of mushroom soup

1 - 4 oz. tin chow mein noodles

Combine all ingredients except noodles. Gently fold in one cup of noodles. Turn into 8 x 8 x 2" baking dish. Sprinkle with remaining noodles. Bake in 350 F. oven for 30 minutes. Makes 4 - 5 servings.

CAN DO CASSEROLE

*A budget minded entree, this recipe features canned luncheon meat -- no bones, no waste.

1/3 c. sliced green onions.

2 tsp. vegetable oil

1/3 c. cheese spread

2 tsp. milk

1 - 10 oz. tin condensed cream of celery soup

1 c. frozen peas, partially thawed

1 tin luncheon meat

1 - 20 oz. tin potatoes, drained and halved (left over potatoes can be substituted).

1/8 tsp. ground black pepper

Saute green onions in oil. Combine cheese spread, milk and soup. Stir in onions, peas, meat, potatoes and pepper. Bake in covered casserole in 350 F. oven for 40 - 45 minutes. Makes 3 - 5 servings.

Cattle disease

Bovine rhinotracheitis (IBR) in cattle has been reported. This disease has been "creeping in" and can be serious. Vaccines are available. However, the advice and assistance from a veterinarian can be considered a must. Vaccines can be dangerous if not used properly.

Cattle owners should contact a Vet immediately if his herd is being infected with IBR.

Course for farmers on soils

The Grassland Association in this area, comprised of farmers, district agriculturists and department of agriculture personnel, is holding a short course in SOILS. This course consists of eight one-half day lectures, films, tours, etc. Everything a farmer/producer wants to know about soils can be obtained, plus more information on technical data. This is a very good course and the district agriculturist highly recommends it. The first day of the course will be held on Feb. 10, 1971, from 1:30 to 4 p.m. at the Sportex Building on the Exhibition Grounds in Edmonton. Succeeding course days will be every Wednesday thereafter at the same time. The fee is \$8. This covers the course, a certifying diploma, a tour and a luncheon to be held on the last day, namely March

31. Let's not miss this one! Attend the course and find out about solonchaks soils, soil erosion, plant nutrients, soil texture, soil fertility, etc. If you plan to attend this course and/or require more information, contact the district agriculturist in Morinville, Phone 256-3351.

Farm records

It is essential for a farm business to keep accurate and complete records. These records facilitate income tax returns, present a complete picture of receipts, expenses, capital purchases, net worth and inform the farmer as to his complete farming enterprises.

Record keeping is particularly important today as it is part of good management in a farming enterprise. This is a most important field for all farmers.

Record keeping books are available from the district agriculturist's office. These books are attractive and complete and suitable for all enterprises. If a farmer wishes, he can also have his records analysed by the Alberta Department of Agriculture. This analysis provides a complete picture of the farm business.

If assistance in record keeping is required, then see your District Agriculturist or give him a phone call at Morinville 256-3351.

Analyses services

Two important services provided by the Alberta Department of Agriculture are soils analysis and livestock feed analysis.

Soil analysis indicates what main nutrients or plant nutrients are required for the planned crop. Farmers can then purchase their fertilizer requirements accordingly. Maximum yields with regard to plant nutrients can be obtained and the farmer not be purchasing fertilizer that is not required.

Livestock feed analysis indicates the protein, calcium, phosphorus, carotene, content. A balanced ration can then be calculated for maximum gain. Additionally there can be flexibility in purchasing or using different feeds as governed by the cost.

Kits containing instructions and packaging material are available from the District Agriculturist's office.

Mooncrest CRA going strong

The Mooncrest Community Recreation Association has a fine winter program in full swing, organized entirely by families in the area to the south of St. Albert, many of whom are on acreages. They have a small hall, an outdoor skating rink and enthusiastic volunteers.

Figure skating lessons and hockey programs including clinics are available for boys and girls and arts and crafts courses attract both children and adults. Once a month a program of social entertainment is arranged for families. On Sunday this program took the form of a curling outing, for which the rink at Stony Plain was rented, followed by a casserole supper.

Upcoming events include a social evening in St. Albert Community Hall in March, whilst drive at Moon-

crest Hall, and a children's bingo on Feb. 6 and 12. About 60 families are members in Mooncrest CRA paying an annual fee of \$5. Serving on the executive are Bob Campbell, president; Jack Templeman, vice-president; Laura Campbell, secretary; Marge Campbell treasurer, and conveners Joe Sirdar, Shirley Stewart, Joe Sirdar and Shirley Stewart. New members are welcome and may telephone Marge at 484-4947.

Morinville Memos

On Sunday, Jan. 17 the Morinville Parish Council held its annual meeting in the Morinville Recreation Centre with some 60 parishioners and Rev. G. H. Primeau, pastor, in attendance.

Outgoing-president David Rooke opened the meeting and Matt Teller was elected chairman for the evening. Mrs. Lorette Champagne acted as secretary. Mr. Rooke gave his president's report, and stated that much work faces the executive in 1971, since a constitution has to be drawn up and much ground work had been done for action this new term.

Real Cormier, gave the activities committee report Raymond Brenneis the liturgical report; Andre Sabourin the hall report, and Mrs. Lorette Champagne the financial report as treasurer of the parish council.

Incoming president, Robert Lapointe announced the four newly elected members of the council: Osborne Bromeling, Guy St. Germain, Mrs. Dorothy Curtis and Miss Paulette McDonald. Rev. Father Primeau announced that the Georges Vanier High School would vote on a representative this week to complete the slate of officers.

Rev. Father Primeau spoke and requested better support by all parishioners and more participation by all members. Coffee and lunch was served and a series of films taken on the European tour by Father Primeau last fall were shown.

Mrs. Jeanette Dolidge, of the Morinville Trailer Court has been appointed as a supplementary secretary to Mr. W. Fitzpatrick by the Thibault school board.

TENDER VILLAGE OF DE LEGAL

Tenders will be received until 12 a.m. February 19, 1971 for the Village Insurance Policies.

Copies of the specifications can be obtained at the Village Office from 1 p.m. - 5 p.m. Monday to Friday.

Agnes Montpetti,
Secretary-Treasurer,
Village of Legal.

On the sick list as reported on the weekend were Mr. Amadeo Brochu, Ernest Houle, Philippe Rivet, Mrs. Alice St. Germain, Mrs. L. Theberge Sr., Mrs. Georgina Baert.

Morinville is happy to welcome Mr. Maurice Sauvageau, formerly of Father as new manager of Beaver Lumber Company. He has taken up residence in the company home.

Mr. and Mrs. Amadeo Brochu, are visiting at the home of their daughter, Mrs. Bernadette Dube and family in Edmonton west for the winter months.

Mr. and Mrs. Paul Chauvet and family have moved into the Wozney house at the south end of town.

Mr. and Mrs. Georges Vranas and Mrs. Mrs. Gerry Ethier left last week for a motor holiday to Phoenix, Texas.

Mr. and Mrs. Gaston Kremer and Mr. and Mrs. Joffre Kremer returned to Morinville last Friday after a month long tour in Europe. They were fete at a welcome home party at the Gaston Kremer home last Friday evening, with some 50 relatives and friends for a belated Happy New Year as well. Mr. Kremer stated that there was 90 degrees difference between the London airport temperature and the International Airport at Nisku in their eight hour flight back from England.

Mr. and Mrs. Walter Panik have returned from a holiday to the west coast recently.

Some 18 members have registered so far for the adult St. John Ambulance course, which was to have begun last week. Classes are held in Morinville Recreation Centre every Thursday beginning at 8 p.m.

Dr. and Mrs. George Clark left for England on Jan. 13 for a six week trip home.

Mrs. Nora Tremblay and her four sons, mothered to Fort McMurray last week-end to celebrate Mr. Tremblay's 41st birthday.

Recently a party was held in the International Building for members of the Morinville Drum and Bugle Band members and their leaders. Present were some 50 children, Rev. Father Primeau, Mrs. Joe Anderson, Roland Teller and Mrs. Yvette Teller, leaders of the group.

Legal Locals

The figure skating club met last week and decided to have a raffle and hold a bake sale on March 6 at the Legal Co-op. Every skating member will be given tickets to sell and it is hoped that the mothers will co-operate for the bake sale.

The "minor hockey" organization will hold a bottle drive on Saturday, Jan. 23. Be generous and encourage the youngsters.

The parish council annual meeting will be held on Jan. 29 at the Recreation Centre.

Despite the poor co-operation of the weatherman, many parents and godparents braved the below temperatures and brought their babies for the blessing ceremony organized by Les Femmes Chretiennes. Lunch was served at the Recreation Centre and babysitters were available to enable the parents to enjoy their "gouter."

Les Femmes Chretiennes will hold their next meeting at the Senior Citizens Home on Feb. 1 at 8 p.m.

As I See It

By Rose Martel

The new seed catalogues have arrived showing a tempting array of beautiful flower displays, prize winning specimen of perennials and beautiful rose bushes etc. appealing to all soil lovers.

Before making a final selection on any of these beautiful varieties of plants shrubs, trees, or flowers, make sure that they will grow and survive in our northern Alberta climate.

Within the boundaries of the MD of Sturgeon we all belong to "Zone 2" and that means a very cold climate, with great variety of temperatures in the spring when most damage is done to perennials, shrubs, and even trees not tested for this area.

Before investing money, time and lots of work, make sure that what you buy will grow and survive in this district. Unless you get a written guarantee from the seed house or nursery, you are taking a chance that next year you may have to start all over again.

The best proven varieties in my opinion, come from Beaveridge Nurseries, in Northern Alberta. What you get from them is home grown and tested. All specimens of perennials, shrubs, fruit trees etc. will survive any Alberta winter. If you order locally, make certain that what you buy is guaranteed locally grown, not imported.

Mrs. Fred Labonte is in Stony Plain hospital and Mrs. Herbert Bergstreiser is presently in an Edmonton hospital.

TRY A CLASSIFIED PH. 599-7144

from British Columbia or the East for resale only.

I qualify as an experienced and active gardener and flower grower. I have experienced costly failures with several well known nurseries, that have not proven satisfactory.

I have been given Russian Pear and Apricot trees, blueberry shrubs and others from a former local DA to test on experimental basis. Some have proven a total failure. By the same token I have elm trees, cherry trees, a new variety of raspberries, that have proven most satisfactory.

As I see it many displays of shrubs, plants and trees found at super markets or garden centres are imported from B.C. or the east and are not winter hardy in Alberta. Money-wise, and to avoid a loss of time and avoid a loss of time and much disappointment, why not consult your district agriculturist now for advice and information. Invest only in what will grow and survive in Northern Alberta.

Experience has taught me that a good variety of perennials are the best, and less expensive for a good foundation in growing flowers.

There is a special assortment of "Northern" vegetable seed that mature faster than some well advertised varieties, and have proven better suited for our climate.

The same care and principle applies to any crop. Be

it wheat, oats, barley, rape-seed, etc. Again your DA is the best man to consult for the best kind of seed to suit your soil and purpose.

Alberta is a beautiful country, our district, our towns and villages could be beauty spots in the prince's province.

May 1971 see a united effort to make our district, towns and villages clean, attractive, and beautiful. Planting good seeds, and proven varieties of shrubs, trees, and a weed free countryside, will make it so.

Vimy News

By Jeanne Laplante
 Sister Lucienne Landry spent a few days at the home of their parents Mr. and Mrs. Frank Landry.

A housewarming party was held in honor of Mr. and Mrs. Claude Hot. Friends and relatives gathered at their home to wish them many happy years. Congratulations to Mr. and Mrs. Paul Ringuelette-

on the arrival of a 7 lb. 13 oz. baby girl on Jan. 5, being the New Year's baby at the Immaculata.

Mr. and Mrs. Gene Kantor were recent visitors at the home of Mr. and Mrs. Henry Bernard.

A wedding reception was held at the Community Hall in honor of Mr. and Mrs. Robert Fortier, the former Miss Michelline Lamarre, from Montreal where the wedding took place on Dec. 26. The happy newlyweds

will reside in Edmonton.

Mrs. Corinne Sabourin and Mrs. Gordon Gannard left Saturday the 16th for a two week holiday at Vancouver where they will visit relatives and friends.

Mrs. Mary Bernard, Irene Regimbald and Helen Joly are attending the Christopher Courses in Legal.

Mr. Claude Hot flew to Vancouver to attend the New York-Vancouver game.

Your Pontiac-Buick dealer is going all out to make up for lost time!

Left rear: Pontiac Safari Station Wagon. Centre: Pontiac GT-37 Hardtop Coupe. Right rear: Buick Centurion Four-Door Hardtop. Foreground: Pontiac Parisienne Brougham Hardtop Coupe

If you're happy our '71s are rolling again, think of your Pontiac-Buick dealer. Happy? Just ask him!

It's been a long wait for all of us.

So right now, your dealer's all set to make it really worth your while to come in and talk deal.

You see, he is practically out of used cars. His salesmen, not having many '71 models to sell, have been selling used cars with great success.

So your car is in demand. Right now!

What that means to you is a generous trade-in allowance and the earliest-possible delivery of your new '71.

If you want a deal—and a new car—that was worth waiting for, come on in to your Pontiac-Buick dealer's.

His 1971 Pontiac and Buick full-size models are new from the ground up. New suspension system, new body, new frame, new everything—including new beauty, inside and out.

You'll find full-size Pontiacs and Buicks now come

with power front disc brakes as standard equipment.

And they have a new roof design that allows for more glass area all 'round. Greatly improving visibility. The new double-panel roof also helps make our cars even quieter.

Newness is everywhere. For instance, all 1971 engines have been designed to operate efficiently on the new no-lead, low-lead or regular gasoline. In addition to the lower exhaust emissions attainable with this engine/fuel combination, there are benefits in longer life for your spark plugs, exhaust system and other engine parts.

And that's only the beginning of the great news for 1971. You'll discover, again and again, that the accent is fairly and squarely on value!

See your dealer today. Start making up for your lost time with a top deal on a new '71 Pontiac, Buick or Cadillac.

The sooner you order, the sooner you'll be driving it

Comets change game prices

The Comets management have announced that effective immediately all children will pay 25 cents admission for future Comets games.

In making the announcement, Yanosik stated that he was sorry this had to happen but because of children running around completely unattended, a tighter control must be set. Yanosik further stated a special patrol will now enforce a stricter policy with hopes the children will come to watch the game.

The safety of the children was another factor in making the decision.

Comets winning streak snapped

Comets win streak of three straight was halted by the league leading Stony Plain Eagles Sunday, as the Eagles skated to a 6-4 win.

Assistant captain Richie Perrault scored the Comets first goal at the 4:35 mark of the first period. Stony Plain scored two goals at the 15:17 and 18:54 mark to take a 2-1 lead.

Comets leading scorer Jim Read took a pass from Al Laplante and rifled it past Eagles Ken Elsner to tie the score as the first period ended.

Both clubs scored single goals in the second period although Comets were badly outplayed.

Bernie Alain was very strong in goal for the Comets as the Eagles repeatedly had two to three men in front of him only to have Alain rob them of fine scoring chances.

Art Scott put St. Albert ahead at 9:15 of the second with an unassisted goal. George Matsuba evened the score at the 15:03 mark.

The third period was all Stony Plain's as they scored three straight goals before Doug Knisley scored St. Albert's fourth and final goal with Terry Dube and Ray Lamer assisting.

The Comets took nine of the 16 penalties handed out. Jim Read was named St. Albert's most valuable

player with George Matsuba getting the award from the Eagles.

Gerry Magnan was back on the blue line for the Comets after sitting out a game with a pulled muscle in his leg. Comets next home game is this Friday night against Ray's Esso and on Sunday meet CFB Edmonton. Both games to be played at St. Albert and District Arena.

Last Friday the Comets won their third game in a row with a strong 7-3 win over the Spruce Grove Mercuries. Captain Fred Hesse scored the only goal of the first period with Jim Read and O'Neil Chevallier drawing assists.

Think a bit about Alberta.
Think a bit about 'Blue'.
And smile.

Al Laplante put the Comets two up early in the second on a fine passing play with Read and Rich Perrault setting him up. Ryan Park scored two goals for Spruce Grove to even the score 2-2 before R. Lamer scored just two minutes before the second period ended to give the Comets the lead 3-2. Terry Dube and Joe Cassidy drew assists.

Art Scott playing his first game in some time due to a broken nose, blasted a shot from the point with just 17 seconds into the third period to give the Comets a three goal cushion. This also proved to be the winner.

Old pro Frank Joyal and Cassidy did some fine work to set up the goal. Joyal gave the Comets a three goal lead seven minutes later to sew up the game. Spruce Grove came back with a goal at the 9:06 mark but Jim Read and Terry Dube finished off the Comets scoring for a final 7-3 win.

Spruce Grove took 14 of the 23 penalties and Comets managed to score twice with the man advantage.

Al Laplante was voted the Comets most valuable player with honorable mention going to Joe Cassidy, Jim Read and Art Scott.

*This special Alberta Junior Citizens Report was presented to Prince Philip. The Awards are now in their 10th year.

PUT A YOUNG ALBERTAN YOU KNOW INTO THE ALBERTA JUNIOR CITIZEN OF THE YEAR HALL OF FAME!

You must know an Alberta boy or girl who should be rewarded for outstanding conduct, initiative or courage between August 1, 1970 and July 31, 1971. Send the name and details to your editor! This year, in addition to other honors, our young Award Winners will receive \$200 savings certificates -- in honor of the 10th Anniversary of these annual awards! (Qualifying ages 6 to 16. Nominate an individual or a group.)

Alberta Junior Citizen of the Year Awards are sponsored by Alberta's independent electric utility companies with the active co-operation of community newspaper editors.

It's a whole new year!

EVERYTHING'S GO

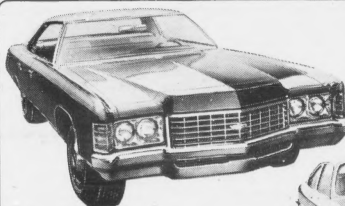

at your Chevrolet-Oldsmobile dealer's!
And here are 12 great reasons why!

1.

The cars are starting to roll.

The production lines are back in business producing the finest new Chevrolets and Oldsmobiles ever. All great reasons why you should see your Chevrolet-Oldsmobile dealer today.

2. **Chevrolet Caprice.**

Looks like a six or seven thousand dollar luxury car, yet priced like a Chevrolet. Power front disc brakes, power ventilation system, and 400-cu.-in. V8, standard.

3. **Chevy Vega.**

The new little car that does everything well. Rides well, handles well, sits well, wears well. Hatchback Coupe, Sedan, Kammback Wagon, and a Panel Express truck. All great!

4. **Chevy Nova.**

Larger, more responsive six cylinder engine, standard. Nova also seats six, comfortably. Nova — the not-too-big, not-too-small car from Chevrolet.

5. **Order now. Get earliest possible delivery.**

Now that the new Chevrolets and Oldsmobiles are starting to roll, get your new car rolling! Your Chevrolet-Oldsmobile dealer is taking orders today. The sooner you order your new car, the sooner you get delivery.

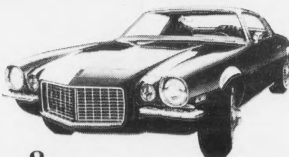

6. **Top dollar for your present car!**

Right now your Chevrolet-Oldsmobile dealer is offering you big money for your used car. Because he hasn't had too many new cars to sell, he's short on used cars. He wants and needs your used car now. And that means big savings to you.

Monte Carlo.

The unpretentious luxury car at a Chevrolet price. 116-inch wheelbase. A very personal size. With seats like fine furniture. And the kind of ride that only a test drive can show you.

8.

Camaro.

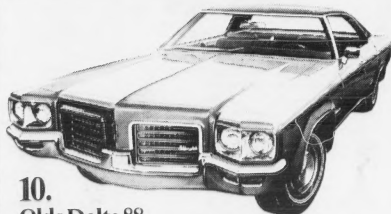

Extra-long doors for ease of entry and exit. New high-back bucket seats. Standard 307-cu.-in. V8. Standard front disc brakes, too. Camaro — the Super Hugger.

9.

Chevelle.

Canada's very popular midsize car. With new single-unit Power-Beam headlights, crisp, clean restyled bumper and grille design. Chevelle — youthful. Economical.

10.

Olds Delta 88.

With Oldsmobile's exclusive new G-Ride system that virtually eliminates vibrations, bottoming and jolts. Big Rocket V8, power steering and power front disc brakes are all standard.

11. **Olds Cutlass S.**

Bold fastback design. Bold new colors. Louvered hood. An agile 112-inch wheelbase, and still one of the easiest ways to step up to an Oldsmobile.

Like we said: The cars are rolling in. You get top trade-in value. And earliest possible delivery when you order early. The new Chevrolets and Oldsmobiles are the best value yet. It all adds up to...

12.
A Great Deal!

Your Chevrolet-Oldsmobile Dealer has a lot of catching up to do. See him today.

Some of the equipment illustrated is optional at extra cost.
